ORDERGERARD E. LYNCH, District Judge:

Defendants' motion for reconsideration of this Court's June 19, 2008, Order is hereby DENIED, except that the Order is clarified to reflect that the production of computerized NYPD Arrest Reports is sufficient compliance with respect to the arrest records of non-parties Naftali, Pagan, and Martinez, for all arrests except for their arrest on March 23, 1997. With respect to records pertaining to their arrest on March 23, 1997, defendants are ordered to produce all documents relevant to plaintiff's claims, as well as documents reasonably calculated to lead to the discovery of admissible evidence.

SO ORDERED.
